Clasa a V-a

1. Read the following story and arrange the paragraphs in the correct order. (3x1p=3p)

A. ☐ Carole arrives home at 5 pm. At home, she does yoga for 30 minutes to relax. Then, she cooks some food and has dinner at 7 pm. After dinner, she checks her emails for 45 minutes. Flying a plane is very tiring and Carol goes to bed very early, at 9 pm. Sometimes, she reads a book for one hour before sleeping.

B. ☐ Carole is an aeroplane pilot. She usually works during the week and has weekends off, but she sometimes works Saturdays or Sundays. When Carol has to work, her day usually starts very early in the morning. She wakes up at 4 a.m. and gets ready for work. She has a shower and gets dressed. She wears a uniform. At 4.30, Carole has cereal with milk and drinks a large coffee. After that, she packs her flight bag for the day.

C. ☐ At 5 o'clock, she gets in her car and drives to the airport. Before the flight, she meets the rest of her crew. The first officer helps her fly the plane and the cabin crew look after the passengers during the flight. They talk about the weather while they get on board of the plane all together. During the flight, the cabin crew give food and drinks to the passengers. Carole talks to the passengers. She gives them some information about the flight. She tells them how long the flight is, how fast they fly and how high they are. When they land at their destination, Carole says goodbye to the passengers and meets her crew to check if everything is OK. After work, Carol drives home.

2. Read the text and choose the right answer for each question. (7x1p=7p)

- How many days does Carole normally fly every week?
 - two
 - four
 - five
- What does Carole do at 4.30?
 - She wakes up
 - She has breakfast
 - She packs her bag
- What do Carole and her crew talk about?
 - the plane
 - the weather
 - the passengers
- What does Carole NOT mention to the passengers?
 - The duration of the flight.
 - Information about the destination.
 - The speed.

5. After the flight, Carole _____.
 - A. says goodbye to the passengers
 - B. says goodbye to the crew
 - C. checks if the plane is OK
6. When does Carole cook dinner?
 - A. before going to bed
 - B. while watching TV
 - C. after doing yoga
7. How long does Carole read her book for?
 - A. 30 minutes
 - B. 45 minutes
 - C. 60 minutes

3. Read the text and underline the correct answer, then decide if the sentences are true or false. (20x1=20p)

Brown bears and Grizzly bears, or grizzlies, are two kinds of bear from North America. They are very similar, **1. but / because / and** they aren't the same. Grizzly bears have light-coloured fur on **2. their / his / its** shoulders and backs, but brown bears don't. The bears also live **3. at / of / in** different areas. Brown bears live **4. above / near / next** the sea, but grizzlies live in mountains and forests inland. That means they have **5. different diets / diets different / differents diets**. Brown bears eat fish from the rivers near the sea. **6. These / That / This** fish are very fatty, and there are **7. a lot / much / few** of them, so brown bears can get very big and fat. The big ones weigh 750 kilograms! **8. They / It / There** aren't many fish in the mountains and forests, so grizzly bears need **9. to eat / ate / eating** other things too, like grass, nuts and berries. These foods **10. isn't / aren't / don't** contain much fat, so grizzlies are much **11. smaller / small / smallest** than brown bears. They usually weigh **12. over / between / besides** 90 and 300 kilograms. There isn't **13. many / much / a lot** food for grizzly bears, so they need to protect their land and food. As a result, they are more dangerous than brown bears, both to humans and other bears.

- a. Brown bears and grizzly bears are the same kind of bear
- b. Both kinds of bears live in North America.
- c. Brown bears live far away from the sea.
- d. Brown bears and grizzly bears eat exactly the same food.
- e. Grizzly bears are usually smaller than brown bears.
- f. There is plenty of food for grizzly bears in their habitats.
- g. Grizzly bears are more dangerous than brown bears.
